Bus Transportation Information

1. Bus transportation rules as stated in the school handbook are to be followed at all times.
2. Bus pickup times are provided by each district.
3. Students must ride their assigned buses. No student will be allowed to ride a different bus unless it is an emergency situation.
4. If no one is home when the bus stops at your home, the student will be brought back to St. Peter RC School or to the Lewiston-Porter district offices.
5. A bus loading zone is located in the front of the school near the back door. Signs are posted prohibiting parking in this loading zone during school hours.
6. No student may ride a bus from a different district. For example – Lewiston-Porter district students may not ride a bus from Wilson School district.

If your child has a change in his/her schedule, please send in a note addressed to your child's teacher outlining the change. For example – if your child normally rides the bus and you are picking up your child, please let us know by writing a note. If there is a question concerning where your child should go to at the end of day and we cannot reach you, we will keep your child in the after school program until you can be reached.
