

## STUDENT SUPPORT

At Saint Peter RC School, we recognize that our responsibility to all learners may extend beyond the regular classroom. Knowing that, we provide for the needs of our students in a caring, nurturing and Christ-filled environment, as we believe that is where each child will learn best.

- **Smaller Class Size**
  - ...wherever possible we maintain classes with smaller numbers, or break the larger classes into groups for more individual instruction
  - ...PreK-3 is limited to 16 students and 2 adults and PreK-4 is limited at 18 students and 2 adults
- **Classroom Aides and Assistants**
  - ...all primary classes have a full or shared aide in their classroom and in their special area classrooms. These aides also travel to lunch with the students
- **Reading Intervention Specialist**
  - ...services students who need literacy (reading and writing) intervention in both a push-in and pull-out model. Provides enrichment activities for those who have exhibited a need for a bit more of a challenge.
- **Student Support Teacher**
  - ...oversees the implementation of all components of all 504 Accommodation plans and performs ongoing intervention and baseline testing to be sure each student is functioning where he/she belongs. The SST ensures that all IEP conditions are met for all students. The SST will also help families connect with individual outside tutors as needed.
