As a church we influence the larger community and we would like to have a profile of how the parishioners impact the community. In which areas of the larger community are you involved as a disciple of Christ?

Welcome to Sacred Heart Church!

Please become an active member of your parish. By virtue of baptism, Catholics are asked to support the mission and ministry of the Church as well as the larger community. If you would like to volunteer for any of the activities listed, please check and write the name of the person in your household who wishes to volunteer. You may also contact any of the parish staff or volunteers listed in the "Guide Book & Directory" for further information.
