Wednesday, June 3rd	<p>Today we're going to learn about some local history: Bethlehem Steel!</p> <ol style="list-style-type: none"><li>1. Watch the videos to hear (1) <a href="#">Ms. Stehman's</a> and then (2) <a href="#">Mrs. Ludwick's</a> connections to Bethlehem Steel and check out some cool objects we have to share with you! Do you know anyone who worked there? Let us know!</li><li>2. Look over <a href="#">PDF</a> timeline the History of Bethlehem Steel and the Steel Stacks</li><li>3. Then watch the YouTube videos and email us a list of things/ places built using Bethlehem steel. <a href="#">Video 1</a>: Video of footage from 1918. This video has no sound, but it shows video footage from 1918 of how cannons were assembled at Bethlehem Steel for use in WWI. Notice the lack of safety gear and the size of the cannons! You can see why safety became such a big deal in later years!</li></ol> <p><a href="#">Video 2</a>: Plant Closing 1995 <a href="#">Video 3</a>: CBS interview 2013 <a href="#">Video 4</a>: Preservation 2015</p> <p><b>School Wide Animation Challenge.
