Your Role as a Parent

You have the most impact on your child's religious life. When you chose to have your child baptized in the Catholic Church, you took on the responsibility of raising them in the faith. You can help your child develop a healthy religious life by:

Being a Good Witness of Faith

Your child watches what you do and listens to what you say. Your good choices give your child a solid model for his or her future. Please say prayers together, help people who are in need and intentionally show love to your family.

Celebrating Weekly Mass

Together as a Family

Attending Mass every week to hear God's word and receive the Eucharist is a fundamental part of our faith. Please be attentive to your child's questions and help them to understand our Liturgy.
