September 2019

To All 8<sup>th</sup> Grade Students and Parents

My name is Rita VanSchyndel, I am the Youth Mission Trip Coordinator for the Tri-Parish.

In the summer of 2019, we will be participating in a High School mission trip. We will be partnering with *YouthWorks* at the Cheyenne River Reservation from Saturday, June 22-June 29, 2019. *YouthWorks* began 25 years ago, when founder, Paul Bertelson, spent a week serving with middle and high school students and realized the impact of a mission trip experience. They set out to design short, impactful trips that invite students to broaden their perspective and deepen their faith.

During our week on the reservation, we will have the opportunity to serve through participating in children's programs, painting homes and gardening. Students will partner with local organizations already serving the Lakota people. *YouthWorks* participants may have the chance to serve with the Mustard Seed, helping to prepare and serve a meal to community members. In the evenings, our group will have the opportunity to hear from tribe elders about Lakota culture, hike and explore Eagle Butte, and share a community cookout with new friends--as many as 200 local residents might attend!

Attached is the registration form for Mission Trip 2019. Cost of the trip is \$650, much of which can be raised through various fund raisers. Please fill out and return the registration form with your deposit of \$100. There are only 12 youth spots and 4 chaperone openings. Spaces will be filled on a first come, first serve basis. Once the trip is full, all remaining applicants will be put on a waiting list in case of a cancellation. A meeting will follow in January to discuss the trip and fund raising ideas and events.
