

“Teens for Transitional Living Center” Walk

To be held on Saturday, October 24th at 1:00 pm

Local students in the Burlington and surrounding communities, known as **Teens For TLC**, will hold a walk to raise funds for the Transitional Living Center (TLC). TLC is the local homeless shelter that serves women, children, and families. This walk is being held *in place of Cold Hands Warm Heart (CHWH)*, where high schoolers spend the night in cardboard boxes to raise funds for TLC. This was canceled this year due to Covid-19.

In support of this important center, we as teens are asking for pledges to support TLC. We will be spending Saturday, October 24th walking - socially distant - on the White River Trail, from Spring Valley Rd. to Lyons where we will hold a prayer service for the needs of the women, children, and families at TLC. This is a great learning opportunity and a chance to improve the lives of our neighbors, and in turn, improve our community and our world.

I hope you will consider being a sponsor for **Teens For TLC**. For this special event we have committed to raising over ten thousand dollars, all of which will be given to TLC to support this critical center in these especially difficult times. When you give at least \$75.00 you will be considered a sponsor and your name or business will be highlighted in a special thank you column of the local newspapers AND receive social media promotion. Any size donation will make a world of difference for neighbors whose world is in crisis.

Thank you for your time, prayers, and generous consideration.
To give, please fill out the form and return it to TLC by Saturday, October 24th.
