

FAITH FORMATION BEGINS

We thank you for your patience as this has been an unusual year. Our new director will begin with Grades K through 5 this week, then continue to First Communion and Jr. High then to Confirmation Preparation and Youth. Please be sure to register if you have not done so already.

Meet our New Director of Religious Education & Youth

Hello, I am Robbie Anderson and am thrilled to be at St. Thomas More parish in Sarasota! I am looking forward to meeting all of you. This is my first home outside of the Chicago area. My family and I lived in the southwest suburbs until I became a widow and moved to downtown. My own faith journey has been enriched by the experiences I have had with people in parishes. I served as a youth minister, director of religious education, pastoral associate and Catholic school teacher. My Masters in Pastoral Studies is from Loyola University, Chicago. As I begin this new chapter, I pray that together, we will have many encounters with our Lord.

Parent Meeting for Grades K to 5 Sunday, November 8th 11am until noon

We will introduce our new program, *Christ in Us* on Zoom. Registered families will have received a Zoom invitation. Please go onto the link and join with your family together on one screen. We will have a short introduction for the whole family, then work with the parents only. You will get help navigating the resources and suggestions for working with your children. Please have your child's books on hand.

First Holy Communion

Sunday, November 15th at 2 pm

We are thrilled to welcome our children who prepared to receive Eucharist for the first time! Parents will have received information through email. If your child is receiving First Holy Communion and you did not get the information please call our office as soon as possible.

Congratulations to our Confirmandi!
