Catholic Schools Week 2020: Learn. Serve. Lead. Succeed.

The National Catholic Education Association is proud to sponsor National Catholic Schools Week. During this week, more than 6,500 Catholic schools across the country will celebrate the opportunity to provide students a well-rounded education rooted in Christ.

This year, the theme of Catholic Schools Week represents all of the qualities that make Catholic Schools work. The open book, made up of many multi-colored pages, symbolizes how all of the facets of a Catholic school blend together. Faith, symbolized by the cross, remains at the forefront and serves to unite the many aspects of a Catholic school education.

Washington Catholic Schools will celebrate each day with activities and events at both schools. We'll also recognize and share a daily theme meant to emphasize and celebrate a different aspect of what makes an education at WC so great. We'll be sharing our celebration with you every day, so stay tuned and thank you for celebrating with us!

CSW2020: Celebrating our Parish

Washington Catholic Schools are fortunate to be part of an active Parish that offers so much support. Our school benefits from the guidance, prayers, and support of our Parish all year long.

Washington Catholic leads our students to Christ by instilling virtues and morals through religious education, the Sacraments, the Mass, and by supporting deep devotion of the Eucharist and the Blessed Virgin Mary, Our Lady of Hope. Our mission is to provide opportunities for activities and experiences that help young people turn outward toward others in service as a key aspect to develop their religious spirit of all our students.

We kicked off our Catholic Schools Week celebrations with a special CSW Mass this morning. Students lead music, served, and participated in worship with our Parish.

2020 Confirmation Spectacular

The 14th Annual Confirmation Spectacular is just around the corner! This event is a great opportunity for young people in the Diocese of Evansville who will be celebrating the Sacrament of Confirmation in the next year.

If your student is considering or preparing for Confirmation, please consider this opportunity to learn and grow in the Catholic faith in anticipation of this Blessed Sacrament. The event takes place at the Joseph Catholic Church's Parish Center in Jasper, Indiana. It will be held on Saturday, February 1, 2020. For more information, contact the parish office. The online registration form can be found [here](#).

Sunday: Celebrating our Parish

Thank you to our Pastoral staff for supporting WC!

Washington Catholic Schools, our students, and our staff benefit from the love, guidance, and tireless support of the Our Lady of Hope's Pastoral Staff. Rarely does a day go by that we aren't visited by Father Paul, Father Juan, or Miss Yvonne. This team works together to ensure our students know they are loved and to create an environment in our schools where Christ is the foundation.

This year, as we celebrate our Parish during Catholic Schools Week 2020, we want to say thank you to our Pastoral staff for all they do!

Sneak Peak for Monday's Celebration: Celebrating our Community!

Theme Dress Day -- Walk on the Wild Side and wear your animal print clothing!
