

# Welcome

## To Our Preschool

# Class!

### School Supplies

Included with your tuition was a fee for supplies that our teachers use to buy the items your child will need at school.

We are following guidelines from Governor Holcomb and the CDC, and we strongly recommend that children in preschool and prekindergarten wear a mask at school when feasible. We encourage you to send a mask to school with your child everyday. We will provide breakaway lanyards to the preschool and prekindergarten children so that they have a safe place to keep their masks when they are not being worn.

Instead of using water fountains this year, we will be using different filling stations, so we also ask that you send a water bottle with you child.

Please write your child's name on his or her water bottles and masks.

### Welcome Back!

Dear Preschool and Prekindergarten Families,  
Welcome to the 2020-2021 school year! We are so excited to have your children back in our schools. This year will look different than last year, but it is going to be marvelous. Your teachers have been working like crazy to get things ready for you, and they will be sending you a letter full of great information for the start of the year. I wanted to share some start up information with you now so that have the things you need to kick-start a great year. If you have any questions, please call us at (812) 254-3845.

See you soon,  
Kelsi Edwards,  
Washington Catholic Elementary Principal

### Start Dates

Monday-Friday Classes: Monday, August 17th 8:30

Tuesday-Thursday Classes: Tuesday, August 18th 8:30

Your child's teacher will be sending you more information on drop-off and pick-up procedures.
