The Catechesis of the Good Shepherd (CGS) program is a Montessori based Catholic religious education program which nurtures the child's relationship with God and educates the child in the faith. Dr. Maria Montessori's approach follows St. Thomas Aquinas' understanding that "all our knowledge has its origin in the senses." The Atrium is a place of prayer, prepared especially for children to contemplate the life of Jesus and the liturgy of the church with the use of many sensorial materials.
