

Behold the virgin shall conceive and bear a son, and they shall name him Emmanuel.....

Do you remember the joy, wonder and happiness of Christmas when you were a child? Today's readings carry a message that surpasses any the world may give. Emmanuel, God is with us!

Jesus, the son of God, comes to us as a helpless baby to bring the kingdom of heaven to earth. By his life, death and resurrection the gates of heaven were opened wide and we were saved from our sins. The true meaning of Christmas is Jesus. Hold it fast in your heart through this holiday season!

You who are called to belong to Jesus Christ, you who are the beloved of God, recapture the joy, wonder and happiness of Christmas this year. The Christ child is coming!
