Dear Parents,

Jackie Viste
Director

Teacher Appreciation Week is in one week (May 6th through the 10th). The Preschool Board has come up with some ways for the students to show the teachers that they are appreciated. We are hoping that the parents can encourage their children to participate in the following activities:

Board Members:

Abby Detmers

Tuesday, May 7th: Thanks are in the CARDS! Draw each teacher a picture/create a card and bring it to them. Also, give each teacher a hug.

Kristy Fletcher

Stephanie Krager

Thursday, May 9th: You make us BLOOM! Give each teacher a flower. This can be one that is picked from your yard or even drawn on paper. Also, give each teacher a hug.

Fr. John Nolan

Diane VanderKooy

We thought this would be a fun way for the children of St. Joseph the Worker Preschool to say "thank you" to their teachers during Teacher Appreciation Week. Thank you in advance for your participation in this fun project.

Georgia Young

As a board, we will be giving them special treats throughout the week also, along with a week of casual-dress days.
