

St. Joseph the Worker Preschool is now registering children for the 2021-2022 school year. We offer a morning program, which runs from 9:00 - 11:30 AM. The 3-year-old class meets on Tuesday and Thursday mornings. The 4/5-year-old class meets on Monday, Wednesday, and Friday mornings.

The philosophy on which St. Joseph the Worker Preschool is based centers upon providing a quality religious education program for our young children. In meeting this responsibility, our preschool will provide a curriculum that enhances the social, intellectual, physical, emotional, and spiritual development of each child. A Christian environment, centered around acceptance and respect, will help the child develop a positive attitude toward God, others and learning.

The objectives of St. Joseph the Worker Preschool are as follows:

- To provide a quality education which will concentrate on the growth of each child spiritually, socially, intellectually, physically, and emotionally.
- To provide an environment that is based on successful experiences, which encourages each child to develop a healthy self-concept and positive self-esteem.
- To provide an environment that promotes responsibility for one's actions and respect for others.
- To provide a curriculum aimed at preparing each child for kindergarten.
