

Dear Parents,

Welcome to preschool at St. Joseph the Worker. We are using an individual approach to school supplies. This means that you will need to label your child's name on their supplies. Your child will have their own school supply box of supplies this year. Below are the supply lists for our preschool for the 2020-2021 school year. These are items that will make our classroom run smoother. Please only buy items on the list marked for your child's class.
