Funeral Information and Fees

Parish Fees

Musicians - \$225

- This fee is passed directly on to the people providing music at the funeral Mass.

Lunch – approximately \$2 per plate

- Parish members donate salads and bars for the meal. The family pays for the actual cost of the other food.

Facilities Fee:

- If the deceased was registered as an active parishioner at time of death and a funeral home is used there is no facilities fee (the parish will absorb this cost for our member).
- If the deceased was not registered as an active parishioner at time of death, there is a \$200 facilities fee. *Note: if the deceased became inactive due to physical or mental incapacity, the parish may waive this fee; however, if the deceased became inactive in the parish for any other reason, the fee will not be waived.*

Parish Funeral Coordinator - \$150 (only if no funeral home is used).

- As part of their service, the funeral home coordinates certain things at the Church for the visitation and funeral Mass. If there is no funeral home involved, the parish provides a staff person to be the liaison with the family on their needs.
