RICA Rite of Sending February 18th

#### **Other Business**

Participation from the pews~This is going to be an on going topic  
a few ideas that were talked about...

Father would like to see more children participate in mass, whether it be either reading, singing in choir, or just saying or following along with the parts of the mass.

Education & knowledge will help get people more involved.

We realize that there are certain things we are able to do & not do because of the doctrines of the church.
