

The Perfect Gift

With all the uncertainty 2020 has brought, your gift giving doesn't have to be uncertain!

The StMCS Home & School Association is once again offering you the option to participate in "The Perfect Gift". This is an easy, and safe, way to gift staff this Christmas. If interested, please see the details below for a fun (and optional) way to spread Christmas gratitude and joy to our teachers and staff.

Here's how it works ...

- The enclosed form lists the names of all teachers and staff. Fill in the applicable amount next to the name you would like to give The Perfect Gift to.
- Place your completed form in an envelope and return to school with payment by Friday, December 11. Checks can be made payable to StMCS.
- Your gift amount will be combined with all other contributions given to the same teacher or staff member.
- Teachers and staff can then choose gift card(s) to their favorite retailers offered through the Scrip program. Last year, many selected retail stores, restaurants, and even home improvement stores. Not only did they receive a gift they loved, but it also raised money for StMCS through the Scrip program!

What is Scrip?

- Scrip is a fundraiser which allows you to purchase gift cards to your favorite stores, restaurants, gas stations, and more, with a percentage of each gift card generating revenue for our school.
- Use the gift cards for your everyday purchases or as gift giving, with the option of purchasing either a physical or electronic gift card.

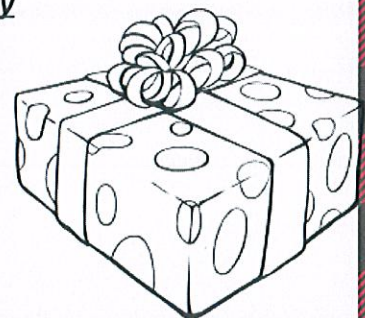

The certificate for Scrip that teachers/staff receive will include the names of all contributing families. If you would like, you can also send an optional card or note with a personal Christmas greeting from your family - just include it with your order form.

Please know that participation is **completely voluntary** and no gift or amount is expected. Thank you.

Wishing you a beautiful Advent Season!
