

Feast of St. Michael - A Special Invitation

The Feast Day of our patron saint, St. Michael, is Tuesday, September 29.

St. Michael the Archangel is a special guardian to all who serve in professions that look after and protect the safety of our communities. In celebration of this Feast Day, StMCS would like to acknowledge and thank all first responders.

If you or someone in your life is serving, or has served, as a first responder (law enforcement, fire fighter, paramedic, EMT, etc.), you are invited to share their address so we can honor them in a special way.

Please send first responders' names and mailing addresses to Nicole Suchla by Sunday, September 27, at nsuchla@stmcaholicsschool.org.

We will also remember first responders in prayer on the Feast Day of St. Michael.

*God bless our first responders,
and St. Michael the Archangel protect them always.*
