

Sweets for Our Troops

Although Halloween activities may look different for many families this year, we will continue to host an annual candy drive.

If you have extra Halloween candy that you would like to share with our troops, please bring it to school between Monday, November 2, and Friday, November 6. There will be a collection bin in the office. All candy will be donated to Blue Star Mothers of Wright County.

Blue Star Mothers is made up of women who have/had children in the military. Over 6,000 members in more than 200 chapters across the nation provide support for each other and their children. Our local Wright County chapter will be assembling Christmas stockings to send to troops as part of their Annual Holiday Project. They use the donated candy to help fill the stockings with treats.

Blue Star Mothers is also collecting handmade cards, drawings, and letters to include in the Christmas stockings. If you would like, you are also welcome to bring in one or more of these items. Please address letters to "Dear Servicemember".

Thank You!
