

# Share the Warmth

## COAT DRIVE

Each year, Sharing and Caring Hands helps clothe thousands of people in need through their free clothing closet. With cold weather approaching, there is a great need to stock their closet with winter accessories.

On behalf of Sharing and Caring Hands, we are hosting a coat drive.

Please consider donating gently worn or new winter coats and/or warm outdoor wear to Sharing and Caring Hands. A collection box will be in the hallway near the school office **now through November 13**.

*Donations of personal hygiene items and winter gear for Sharing & Caring Hands is also being collected at Middle Level Activity Night on November 6. If you would like to donate winter accessories, you are welcome to do so through school or at the activity night. Thank you!*

Sharing and Caring Hands ~  
A Compassionate Response to the Needs of the Poor
