

FALL YOUTH ENRICHMENT

Register at: YELKids.com

LEVER DEVELOPERS

Grades 1-5

STEM Enrichment using LEGO® bricks for the 21st Century learner. Each {YEL!} STEM class follows four basic components: • Teach It!...Each class students are taught the basic STEM engineering concepts behind each project. • Build It!... Students use LEGO® bricks to build a dragster, balancing beam and design their own catapult. • Explore It!...Then they use that project to explore the basic engineering concepts - this session is focused on levers concepts. • Play It!...Finally they play with their project, modify it, create extensions and have fun working with it.

LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program.

Thursdays, 2:10 PM-3:10 PM -- 11/1 to 12/13 -- No Class: 11/22 -- 6 Classes -- Fee: \$60

THINK, LEARN and PLAY WELL with {YEL!}
