St. Nicholas Academy, Jefferson City, MO

Mission Statement:

The Mission of St. Nicholas Academy is to partner with families to break the cycle of poverty for children through supportive residential care and services, in conjunction with exemplary educational opportunities. Inspired by Jesus Christ's reverence and concern for all, St. Nicholas Academy strives to empower all to reach the fullness of their potential as individuals created in God's image.

Program Description:

St. Nicholas Academy (SNA) is an agency of Catholic Charities of Central and Northern Missouri, the social service arm of the Diocese of Jefferson City. In response to the teachings of Jesus Christ, the Mission of Catholic Charities is to serve people in need, especially those who are poor and vulnerable; work to improve social conditions for all people in the community; and call members of the Church and community to do the same.

St. Nicholas Academy is a faith-based, positive place of living and learning. Dedicated to providing a loving, safe, nurturing environment, St. Nicholas Academy offers a home-like atmosphere where children are enabled to grow and develop physically, emotionally, intellectually, spiritually and socially.

House Parents, a married couple who live in the home, provide stability, love, encouragement and support to each child. The interactions between the House Parents and children flow from and are guided by respect and positive regard for each individual. The structure and daily living environment assist the children in gaining the skills necessary to be successful in all aspects of life.

The children attend St. Peter Interparish School. Known for its excellence in education, St. Peter School offers quality academics, arts, athletics and extra-curricular activities in an atmosphere of respect and attention to the needs of individuals.

In partnership with the children's parents, the school, teachers, and SNA staff work together in a team effort to provide the optimal living and learning experience for each child.

As a year-round program, summer time at St. Nicholas Academy includes participation in swimming lessons, camping experiences, field trips and other activities that provide exposure to many growth-filled experiences.

We are inviting you to pray and reflect:

How might you impact the life of children by using your gifts to further the mission of SNA?

Might God be calling you to service/ministry at St. Nicholas Academy?

As a House Parent? As a Relief Parent?

As a Volunteer? As a donor? As a Sponsor?

Volunteers - volunteer your time and talents - cut hair, teach swimming, help with activities and outings, share your artistic gifts of music or art, read to kids, provide a birthday party for a child, bake cookies, help with yard work, ---- the ideas and opportunities are endless!

Donors -- provide play equipment, age-appropriate books, donate goods and/or services, etc.

Sponsors - sponsor a child for a year to help cover the expense of clothing, school fees, personal needs, medical/dental services, etc.
