RICE BOWLS

Rice Bowls will be in next weeks bulletins.

The Rice Bowl website, www.crsricebowl.org contains ideas for families, lesson plans for teachers and catechists, and strategies for parishes. There is a host informational materials, including a series of 3-5 minute videos that are available in English and Spanish on a DVD that comes with the parish kit or individually online.

The Rice Bowl concept is to take money you would use for one meal a week, eat a smaller or simpler meal and put the remaining money in the rice bowl.

Once again this year, 25% of the money collected will remain in the diocese to support food programs and other efforts to address the needs of the poor. Parishes are encouraged to keep this 25% for local programs.

Last year, Rice Bowl participants in our parishes raised \$47,551. That meant almost \$12,000 in support of community food pantries and other programs within our diocese.

While the money is important, those of you who have participated in the past know that the impact of CRS Rice Bowl go far beyond that. CRS Rive Bowl is an opportunity to experience Lent in a more profound way, through prayer, education, and increased awareness of the hunger of many of our brothers and sisters in our neighborhoods and around the world.

HELIAS COUNCIL MINUTES

The Helias Advisory Council prays that you all had a blessed Christmas and New Year. By this time, we have all gotten back into the swing of things, but that doesn't mean we cannot make "ordinary" time special. One of the great things to highlight is the Open House at Helias on February 3rd from 11am – 1pm. Come and tour Helias, meet the faculty and staff, and enjoy some activities. There will be a meeting for incoming freshmen and parents at noon. Helias is always looking ahead and we hope to welcome more students to Helias next year. One of the projects for next year is better lighting in the school parking lot in order to provide more safety to our faculty and staff. I know the school year will be drawing to a close in a few months, but there are still plenty of things left on the calendar. Check it out @ <http://www.heliashighschool.com/calendar.php>. As always, if you have any questions or comments, please do not hesitate to ask either via email: Angie.Mengwasser@hotmail.com, or phone: 417-536-4556. Thank you and God Bless!

**MIDWEST MARCH FOR LIFE/40 DAYS FOR LIFE THANKS
DIOCESE OF JEFFERSON CITY**

Much appreciation to all who made the March so successful. Thank you St Peter in Jefferson City for allowing the use of historic Selinger Center Expo Hall and beautiful church for the Mass for Life celebrated by Monsignor Kurwicki and assisted by Deacon Thomas Whalen with music and song by Karen Kramer.

Jessica Vaughn of MCC prepared the Mass Program. St Peter Fulton Knights of Columbus donated the chili/ hotdog luncheon and funds generated to the Midwest March. Thanks to all the parish members who worked so hard to make the march so successful ---Our Lady of Lourdes, St. Andrew, St. Margaret, St. Francis Xavier, St.Peter Jefferson City, St Peter Fulton, Immaculate Conception Jefferson City, Cathedral of St. Joseph and many members of the Mid-Missouri Columbia 40 Days For Life sponsored by St Andrew Parish in Holts Summit.

An estimated 1000 folks from Missouri, Iowa, Kansas and Arkansas enjoyed the beautiful day and the PreRally, March and Rally in the Rotunda were inspirational to all with many great speakers. God bless America was sung by Gregory and Lea Komaromi, and Maria, Elizabeth and Catherine Galbraith. A standing ovation was given to a sidewalk advocate, Mary Maschmieir of St Louis who shared her touching story of how three of her 15 children were adopted --- three children scheduled for abortions at St Louis Planned Parenthood! Senator Andrew Koenig was honored with an award "Patriot and Statesman for Life" for his perseverance in seeing that SB5 was passed. It is known as "the most prolife bill passed in decades". Reagan Barklage, former President of Mizzou Students for Life and now Western Regional Director for Students for Life was the keynote. Channel 8 covered the event as well as the News Tribune.

Make plans to attend the 9th Annual MidWest March for Life on Saturday, February 2, 2019. Information and to volunteer to help in 2019 call Mike and Kathy Forck 573 821-5130.

Thank you!

Abortion and Adoption

The number of would-be adoptive parents (of newborn babies) far outstrips the supply in America. Each year in the United States, about 135,000 American children are placed for adoption. Experts estimate somewhere between one and two million couples seek to adopt yearly. Every year, there are about 1.3 million abortions. Sadly, only 4% of women with unwanted pregnancies give their children up for adoption. Every child is wanted, and wanted desperately!
