*******Feel free to email Kim Schumann or Carla Massman at any time at kkschumann@embarqmail.com or ckmass23@ktis.net, OR call/text 573-230-7692 (Kim) or 573-826-0823 (Carla) with questions, concerns, ideas, or RSVP's.**

Reminders:

- 1. Have children at class promptly at 8:15AM, so that classes can begin and have a full hour of study for all..... Parents, this responsibility is YOURS! Children these ages have no way to get themselves to classes, so please be responsible by watching the calendar weekly, making arrangements for transportation if you are unable to bring them, and getting them here by 8:15 so they can attend the FULL class period.**
- 2. Please look at emails OFTEN, as we do MOST all of our communication through email or texting. We send reminders, and important information usually weekly.**
****Especially be watching emails and phones when weather is bad in the winter, and there could be a chance that classes are cancelled. If we know on Saturday, we will post a group email to everyone on our list.**
- 3. Make it a point to get involved as parents! Children learn by example, and experience a greater sense of success when they see their parents getting involved in what they are doing.**
****We ALWAYS need substitutes! Please let us know if we can put your name on the list.....(even if you originally marked "no" on the registration form).**
- 4. Encourage your children to attend as many PSR classes as possible! Put PSR as priority on Sunday mornings from 8:15-9:15AM.....(We do prizes for EACH month for perfect monthly attendance)!**
- 5. *****Most importantly, ATTEND MASS weekly with your children! There is no greater example or gift you can give your children than to attend Mass with them each week. *******(Weekend Masses are Saturday at 5:30 P.M. and Sunday at 9:30 A.M.)

Welcome to our 2016-2017 PSR year! It is going to be another great one! ☺ God Bless!
