COMMISSION REPORTS:

Administration:

- Bathrooms: Tom Gredell was present to answer any questions regarding the preliminary cost estimates that have been obtained for the renovation of the

bathrooms in Veit Hall. Copies of the revised detailed preliminary cost estimate and bathroom plan drawings were distributed and reviewed at length. The preliminary sub-total for this project is estimated between \$42,123.60 - \$59,523.60. This amount does include costs for a general contractor and a 20% contingency fee.

Father reported that \$29,000 had already been earmarked for repairs in 2016 that was not spent. He also noted that the Bishop will need to approve this project because the cost is over \$10,000. Father will ask Brad Copeland for General Contractor recommendations.

The Administration Commission will schedule a pre-bid meeting to provide information on the project to potential contractors. The Commission will obtain a minimum of 3 bids for this project and bring these bids to a Special Joint Administration Commission/Parish Council Meeting on May 16th for the purpose of reviewing the bids and making the decision on who to award the project to. The Project will take 3-4 weeks for completion. Open times on the calendar for Veit Hall were discussed.

- Window Tinting: Estimates were obtained from Brady's Glass for the removal and replacement of the frosted window covering and the new tinting. Total cost estimate is \$8,896.00. Keith Kempker made a motion to proceed with the project and accept Brady's cost estimate; Jake Jacquin seconded the motion. Father accepts. Keith will ask Steve McMichael to contact Brady's and see when they can begin on this project.
- Lighting: Still working on obtaining cost information to upgrade to energy efficient lighting.
- Cemetery: Father Joe reported the altar is complete and the Mary and Jesus statues will soon be ready. The next statues to be ordered are the statues of St. Paul and St. Andrew.

Worship and Education:

Father distributed a written report from the January Worship & Education Committee Meeting.

Social Concerns: No meeting. Father distributed copies of a letter from the Health Ministry Steering Committee requesting the Knights of Columbus and Parish Council each share in paying one-half of the cost for two automatic defibrillators (total cost is \$3,492). The need for the automatic defibrillators was initially identified by the Safety Committee. One of the defibrillators will be placed in the gathering space and the second one will be placed in Veit Hall. Bert Heil offered a motion to spend one half of the total cost (\$1,746) on the automatic defibrillators; Keith Kempker seconded; Father Corel accepted. Deanna will notify Belinda of this approval.

Committee Appointments:

The four new Parish Council members were appointed to the following Commissions:

- Nancy Crocker & Earl Pabst to Worship & Education Commission
- Chuck VanLoo to Administration Commission
- David Hall to Social Concerns Commission

- Bert Heil will move from Administration Commission to Worship & Education

NEW BUSINESS:

Bert Heil reported that the 3rd Co-Chair for the annual Fall Festival will be Lana Massman. Discussion followed on whether we will allow any kind of liquor in Silent Auction baskets or as an item on the raffle. Per state law, without a liquor license, only individuals 21 years of age and over can bid on the items in the silent auction or purchase raffle tickets. It was agreed that we will not purchase a liquor license for this event.

He also reported that double doors to the Veit Hall do not lock properly; he will follow-up with Tyler's Key.

Father Joe's Report:

Father Joe reported he has met with several IT professionals regarding:

- Security cameras at entrances to the church and in the cemetery
- Flat screen TV's in the gathering space to serve as message/bulletin boards

He has asked the Health Ministry Team to put together a list of who is visiting the nursing homes, and who is being visited, including shut-ins.

The altar for the cemetery will have a black marble front instead of gray, since the etching on the gray was smearing.

Discussed organizing closets in the green room, and the need to bury/burn sacred items such as our old banners. Also need place to take old TV's and other old electronics and the old organ.

MEETING ADJOURNED: at 8:50 pm.

NEXT MEETING: Thursday, April 5, 2017, 6:30 pm

From our March 29 Worship and Education Commission Meeting

Discussion for Parish Council:

1. Moving Pre-K and K out of rectory and into Knights building; removing moveable wall in knights building so pre-k and k have more room; 6-8 team taught in rectory; allow high school to have rectory as a youth center on campus.
2. Invite the adults going to cardinals game to cover as much of the cost of the bus (\$1172) and parish pay the rest; depending on how much parish pays for the bus will determine how often we do this trip with servers. Every year to every 4 years. We have 20 servers and 30 adults attending. To cover the bus, each adult would pay \$39. To cover \$1000 of it would be \$33.

Easter Decorating

Dates and times to assist with decorating for the Holy Season:

Saturday April 8 12:30 pm Palm Sunday weekend: We will decorate the interior of the church in red, get the gathering space ready for our procession

Sunday, April 9 10:45 am, we will change the red altar cloth to white altar cloth and leave everything else until Wednesday after 8 am Mass.

Wednesday, April 12, after 8 am Mass, we will do work to prepare the Brown Room to a Blessed Sacrament Chapel and change church and gathering space into Holy Thursday. The color for Holy Thursday is white. What we do not complete after 8 am Mass, we will finish at 6 pm Wednesday night. (If choir is not practicing in church. I will find out, and we may do it all after 8 am Mass on Wednesday.)

Friday, April 14 12:30 pm, we will gather after the Noon Stations of the Cross to change the church back and prepare the church and gathering space for Good Friday.

Saturday, April 15 12:30 pm. We will set up gathering space, church and fire pit area for Holy Saturday. Deacon Ed is in charge of Easter fire details.

Yvonne Rothjakob and Carol Maxey are lead decorators.

Centering Prayer

Earl Pabst went to Fr. Matt Flatley's centering prayer experience at the chancery. He said Fr. Matt would be willing to come to the parish and host an afternoon of prayer. I said he made the same commitment to the Ladies Sodality when he presented to them. The decision if to bring him and when was tabled.

Parish Mission

It is not too early to think about a parish mission for this Advent, next Lent and next Advent. What should this mission look like, who do we think should be our mission leader? Laura

Forbis may have a friend coming to lead us in a mission in Advent 2017. Do we want a youth friendly mission leader? One day or Four days? What is our budget? Free will offering or Pay a flat fee? Do we get a big name person and have him/her come in for one day presentation? These were just the questions that were asked to get us thinking about our next parish mission. No decisions were made.

Stations of the Cross

Some thought attendance was the same as past years, others think we are having more attendance this year. The question was brought up about having stations of the cross during Fridays of Lent and hoping some of our fish fry patrons would also like to pray with us in our church. No decision was made at this meeting, but is something for future reflection and decision.

Music Ministry

Deacon Ed would like to offer a Music Ministry workshop and have a few social gatherings. One of the topics he would like to discuss is a common list of songs that the congregation knows and will sing. Learning new songs makes it hard for the congregation to participate.

Server Training

Server training is complete and training servers is a constant process. There are two families in the parish who Fr. Joe has asked to create a Cardinals Baseball game for servers and their families as a way of server appreciation. When a date is named, it will be made public.

Homilies

Deacon Ed was wondering if we could have a way to have our homilies recorded and loaded onto our website. There was discussion about the three men who have met with Fr. Joe to talk about technology. The discussion was tabled.

Education:

PSR:

For the 2017-18 academic year: Move Pre-K, K and 1 out of rectory and into the Knights building. Give them the entire side of the Knights removing removable wall so that they have more space. They would be combined and team taught. Move 6-8 grade over to the rectory and they too would be team taught. One group, 3 year lesson plans with several components to keep them active.

High School Youth

Allow them to create the rectory into their space. This way the junior high would become familiar with the space with the hope they would become active in the youth group upon reaching second semester of 8th grade. Carpenters/interior designers could assist the youth in making the rectory their space. What would happen in the rectory after it is their space? movies, discussions, food, catechesis, life lessons (ACT teachings, Study groups, cooking classes, Bible studies, etc.) Is it big enough? This is the space they have; if enough show up and we have to look to redo walls, we will look at that possibility then; if only a few take advantage of it, then

there is no need to redo interior. Let them show us what they need by showing or not showing up to use it.

The name of the St. Andrew Youth Group was also discussed. Currently, there are about 4 different t-shirts representing 4 different themes are being discussed. Teens will have the ability to vote on their favorite name and t-shirt in April. A divider will be set up in the gathering space. T-shirt designs with youth group name will be on one side of the divider. On the other, pictures of what the youth have been doing since its new beginning about a year ago: Mission Trip, Christmas parade float, Altar-ation, movies (The Young Messiah, Risen, The Shack) and Pizza Hut, Soup Kitchen, Teen Choir, and other activities at/with the parish. and, another section stating who has attended Pro-Life March, Camp Maccabee, CHRISTpower, TEC, etc Then, another section that shows what the youth do outside the parish -- where they are living their discipleship: sports, music, band, theater, work, hobbies, school, family vacations, etc

National Catholic Youth Conference (NCYC) how to make it attractive and not turn our youth group into a fund raising machine? NCYC is a great 4 day experience at Lucas Oil Stadium in Indianapolis in November. Cost is about \$550 per person (teen or chaperon.) So, thought is to have an Investment Meal on Pentecost Sunday night. Teens cook and provide meal (with adult assistance.) then, they explain what they believe NCYC is and what they hope to gain from this experience. Then, they ask for the investment to attend NCYC. Envelopes are turned in with hopefully all the money they need to attend. Then, sometime in January, we would have a dividends dinner or do something right after mass for the youth to show how the investment went: Slide show, testimonies/witnesses etc. We will also need to discuss how to keep NCYC mania alive within our youth once they return to the parish. another fund raiser in the works is to create polo shirts, sweaters, sweatshirts and other merchandise for St. Andrew parishioners to purchase and wear to show off their parish.

It was discussed to have social youth gatherings on Friday nights: hay rides, line dancing at Hwy 54 Dance Club, camp fires, etc. Social Friday nights would be the same night, once a month, as CCIA/CPIA, which would be the next phase for our high school youth group members. We hope that we can get college age and young adults to help with these Friday nights when CCIA/CPIA is not meeting. Youth like it when young adults lead and it bridges youth group and CCIA/CPIA.

CCIA/CPIA

Continues to meet once a month. In March, parenting like a Saint; on April 7 a Progressive Dinner (people on one side of table stays; the people on the other side of the table move every ten minutes.) Before dinner, have an interest bingo game to assist them in mingling. Then, when they sit across from each other for ten minutes, they have conversation starters. Fr. Joe will end with an advertisement, promotion of why they should go to Easter Triduum services. We are getting baby sitters to attend and we are having good attendance.

Adult Faith Formation

* *Altar-ation*: DVD series that explains how to get more out of mass. About 11 every Tuesday night in Lent (except reconciliation service) they have lots of ideas of what to do when it is complete.

* *The need for small groups and catechesis for small groups*: When Why Catholic was happening across the diocese, and Jim Kemna and Carolyn Saucier were training how to do small group and giving materials for the small groups, we had 60 people participating. After Why Catholic, many continued with Catholicism Series with Bishop Barron; one group continues with the new Series by Bishop Barron, Pivotal Players. We need something to bring back the small groups for adult catechesis. Or, something needs to be added to the parish for adult catechesis if we won't do it in small groups.

* *CHRP*: Men's first weekend have "put on their weekend" so will be meeting for a night of Pentecost to see how they continue the faith journey now that they have received what they have. Women first weekend continue to prepare for their weekend to host. Men second weekend continue to meet. There are approximately 50 parishioners who have made CHRP in these three weekends (2 men, 1 women.)

Confirmation Sessions: Deacon Ed, Valda and Fr. Joe will be talking about 2017-18 sessions for Confirmation shortly after Easter.

RCIA

7 will join us, as new parishioners, at the Easter Vigil. Two more will join us on the Feast of Corpus Christi. Three more after that who are in the process. Please pray for them.

Administration Commission Meeting
May 2, 2017

Present were: Drew Grimm (guest), Margie Hagenhoff (guest), Dennis Hagenhoff (guest), Brad Copeland (Diocesan Representative), Fr. Joe, Jake Jacquin, Larry Winkelman, Tom Gredell, Connie Schepers, David Hall, Keith Kempker and Chuck Van Loo.

Father Joe opened with a prayer.

Doors

The estimate for the new doors to Veit Hall is \$10,884.00. It was decided to ask them to paint the doors before they are delivered otherwise they are primed and ready to paint. The color will match the door frame which will also be repainted. There was discussion as to whether we should purchase the suggested new hinges or reuse the old hinges which are still functional. Brad Copeland will check to see if that is possible.

Bathroom Renovation

The bids for the bathroom renovations were distributed. Each bid is from a local reputable contractor. Brad spoke of the various projects each contractor has done in the diocese. The recommendation of the Administration Commission to the Parish Council is that we will accept the bid from WAVCO.

The duct work for the men's restroom was bid at \$730.00. The new duct will be wider but not as deep which will allow for a higher ceiling.

Water Softener

The purchase of a water softener was also discussed. Brad will get an estimate from Ecowater and Culligan. They will need to come to the parish and assess our needs. This assessment will not be done in time for the next parish council meeting.

The meeting adjourned with a prayer.
