CURSILLO

Cursillos in Christianity (in Spanish: **Cursillos de Cristiandad**, short course of Christianity) is an apostolic movement of the [Roman Catholic Church](#). The Cursillo focuses on showing Christian lay people how to become effective Christian leaders over the course of a three-day weekend. The weekend includes fifteen talks, some given by priests and some by lay people. The major emphasis of the weekend is to ask participants to take what they have learned back into the world, on what is known as the "fourth day." The method stresses personal spiritual development, as accelerated by weekly group reunion (after the weekend).

PRAYER

40 HOURS DEVOTION

Adoration is a special time when the Blessed Sacrament is set out so that we can gaze upon Our Lord in faith and adoration. It is a special personal, quiet time when we come as we are, who we are and for what time we have. A time we can bring our heartfelt thoughts, struggles and joys to talk to Our Lord in silent prayer while looking at Him. We receive His love and give our love just by being present with Him.

DEVOTION TO THE SACRED HEART OF JESUS

PRAYER CHAIN

People who have the desire to pray for others in need request to become an OLV Prayer Warrior. We currently have approximately 135 Prayer Warriors. When a "prayer request" is sent to the Prayer Chain, either directly from the OLV Church website or emailed to me, the prayer request is forwarded to all Prayer Warriors. Prayer Warriors are asked to remember and lift those in need to the Lord sometime during their daily prayers. If the "prayer request" specifies what to be prayed for - such as healing from an operation or the repose of the soul for someone who has died, we pray for that specific intention. If no specific request is made, we pray for the Lord to provide healing in body, mind and spirit and to give consolation to the person in need, as well as any family members or care providers.
