Personal Safety Training

The Office of Child and Youth Protection in Washington, DC requires safe environment training for children in religion education programs. We will be using videos provided by the diocese during our regular scheduled PSR classes to communicate the tips on keeping our children safe. This is REQUIRED training each year for the children. We usually show the training videos in January.

Please check:

_____ I give permission for my child(ren) to participate in the Personal Safety Training Session.

_____ I do not give permission for my child(ren) to participate in the Personal Safety Training Session. I also understand that my child(ren) are expected to attend PSR class on the Training Night.

_____ Yes, I would like to view the video with my child(ren).

Note: Preschool and kindergarten children do not watch the videos. Only grades 1-12.

_____ I give permission for my child's picture to be taken and name used for ministry or publicity purposes.
