

Human concerns November 2021 report

Mary McGuire Thanksgiving food box outreach 22<sup>nd</sup> year.

481 recipients this year. Larger family get two for a total of 575 gift cards given out.

Anonymous donor for the groceries. (Turns out it was the Sheboygan Food Bank, due to a windfall of money they had) The food bank has been very pleased with our outreach and wanted to help. With the large donations of groceries we took all the donated money from the 3 Parishes which total around \$14,000 and an additional \$3,000 we had from a previous year and purchased \$17,000 of \$25. Piggly wiggly gift cards from the Seton Scrip program. So, this year instead of a \$10 gift card all recipients received a \$25 card to piggly wiggly.

Tree of hope to start November 28<sup>th</sup> with four weeks going to nursing homes, Mary's room, Northside food pantry and Refugees and immigrants.

Small committee meeting on November 23 to select an outreach for each month in the year 2022.

Thank you,

Donna Karr
