Human Concerns Committee Report: January 24, 2022

2022 Outreach Sunday Recipients

On October 23, 2021 there was a Joint SC, HN, SD Human Concerns meeting to select Outreach Sunday recipients for 2022. For the first time, all three parishes are working together in this endeavor.

An article will go into the bulletin the week before each collection, describing the organization, their needs, and possible volunteer opportunities.

A flyer listing the 2022 Outreach Recipients was included in your bulletin on January 2.

Emmaus Meal Program

For the time-being, the meal continues to be distributed at the library. 20-35 people are served a bag lunch each week, with some taking a meal along for others – about 40 meals are given out on an average Saturday.

SC Holiday/Birthday Greeting Card Ministry

St. Clement is looking for a person to chair this ministry. We are grateful to Kathy Baus, who is deservedly retiring after organizing this for many years. If you know of anyone who may be interested in doing this, they can call Kathy or Lulu Lubbers with any questions they may have.
