Service & Retreat Log

Name _____

June _____ to May _____

SERVICE. In the sixth grade you begin to be accountable for serving others as part of your Catholic commitment. That said, giving of yourself is not restricted to an assignment during Christian Formation — it is a lifelong endeavor!

The Christian Formation program requires **Middle School youth to complete 5 hours of service per year** and **High School youth to complete 10 hours of service per year.** Please turn this log in at the end of each year — the office will keep them on file. Consider keeping a copy for job, college, and scholarship applications!

The program requires that you complete service **in these three areas:**

1. Service within Liturgy (L)
2. Service within Parish Life (P)
3. Service within the Community (C)

Confirmation candidates (usually grade 11) are required to serve in a liturgical role for the year. Youth in younger grades can do this as well — but they will also have opportunities for liturgical service at a Sunday Mass served by their class.

Please enter ways that you have served below. If you are unsure about an activity, talk to a Christian Formation staff person. The biggest criteria is giving of yourself without pay for the service of others to make a difference in our community.

9/11/20	1	L	Lector	Mr. McLinden	Yes

RETREAT. In the sixth grade you also begin to be accountable for your spiritual growth as part of your Catholic commitment. Of course your spiritual growth is a lifelong endeavor as well!

The Christian Formation program requires **Middle School and High School youth to complete 1 retreat per year** through the parish. Confirmation candidates (usually grade 11) have their Confirmation retreat as their yearly retreat. If a youth cannot attend a parish retreat, he/she is expected to make another retreat on his/her own.

Please enter times that you have gone on retreat below. If you are unsure about an activity, talk to a Christian Formation staff person. The biggest criteria is taking time to open yourself to an experience of God's transforming love.
