Pastoral Council

Under the guidance of the Holy Spirit, the Pastoral Council assesses the needs of the HNJ Community, helps set parish-wide goals and guides the Commissions (Worship-Liturgy & Pastoral Care, Faith Formation, Evangelization, Parish & Family Life and Service & Outreach) toward achievement of these goals.

The HNJ Pastoral Council meets the second Wednesday of every month (August-May) at 6:30 pm in Rm. 143 in the Life Center. All parishioners are invited to attend to learn about the current and future spiritual focus of the Pastoral Council and parish.

For a list of council members, please contact the Parish Office or see a recent copy of our bulletin.

WHAT IS A PARISH?

A parish is a community of faith that exists to minister to the spiritual and temporal needs of its members. In church law, a parish is an integral part of a diocese, a "local church." This means that a parish does not exist for its own sake, but is part of a larger community of faith—the diocese and the universal Church. A parish is formally established when it has 1) definite boundaries that have been determined by the local bishop and 2) sufficient means of support for the personnel and facilities necessary to carry out the parish's mission and ministries.

PARISH HISTORY

Holy Name

of Jesus

humbly began as a **mission parish** of Ascension Catholic Church in Eau Gallie, FL. On Christmas Eve 1959, the first Mass was celebrated by Reverend Father Martin B. Power in Marty McGuire's unfinished house in Indian Harbour Beach. Subsequent Masses were held in the Indian Harbor Beach Community Center. The Most Reverend Joseph P. Hurley, Archbishop of St. Augustine (affectionately known as "Ten Acre Joe" for his farsighted policy of buying ten-acre parish sites) had purchased our first ten acres in 1956. At the suggestion of Father Power, an additional 3.7 acres was purchased in June of 1961, with a 290' frontage on Highway A1A.

Ground was broken for a **provisional Church** on September 9, 1962. The Church had a seating capacity of 480 and included a 2,000-sq. ft. Hall.

Archbishop

Hurley dedicated the Church and Hall in March 1963. There were about 250 families in the Church when the dedication took place.

The children of HNJ attended Ascension School, which opened in September,

1961, staffed by the Irish Sisters of Mercy of Ardee, Ireland. Due to population growth in

the area, Father Power recognized the immediate need of a school at HNJ.

In March, 1964, the school had promising beginnings with approximately 50 students and three grades.

Classes were held in the Church Hall. By September, 1964, the **new school was completed** and housed the first four grades. Each year, an additional grade was added through the eighth grade. In 1965, portable buildings were added, and in 1968, kindergarten opened.

Technically, HNJ remained a mission of Ascension Parish until May, 1968, when Monsignor Power was appointed Pastor of HNJ by The Most Reverend William D. Borders. A year later, Monsignor Power was transferred to Lakeland where he died suddenly on March 22, 1972. Fr. Arthur Dunnigan was named the second Pastor of HNJ in June, 1969. He was instrumental in purchasing valuable land with 367' of frontage on A1A and adjacent to the existing church property. This 4.3-acre property purchased in 1970 included the Greystone Apartments, which were converted to a priest residence while the

garage was converted into parish offices. HNJ now had approximately 18 acres of prime property.

In February, 1974, Fr. Arthur Dunnigan took a leave of absence due to illness. Fr. Patrick Quinn became the third Pastor of HNJ from 1974-76 and Fr. Peter J. Henry, who served during

How I wish we would all walk in faith! Yes, this is the true way. -St. Paul of the Cross

that time as Associate Pastor, was appointed the fourth Pastor in September of 1976.

Due to the rapid growth of HNJ, the provisional Church built in 1963 became

overcrowded so Fr. Henry initiated a major fund drive in 1978 and raised a million dollars to build the **permanent church** with a seating capacity of 800 people. The Most Reverend Thomas Grady, Bishop of Orlando, dedicated the Church on October 26, 1980.

Fr. David P. Page, former Rector of St. James Cathedral, Orlando, became the fifth Pastor of HNJ in January, 1987.

Advancements continued with the parish becoming computerized in 1988. The convent was renovated in 1989 and was converted into the **administration center** to house

much needed offices for the pastoral and lay staff members.

During 1987-88, a nationally known consultant on church process, facilitated a parish-wide

program called Vision 2000 in

which parishioners decided on priorities, both in regard to ministry and facilities.

This, in turn, led to the restructuring of the parish ministries into five commissions with pastoral and business administrators serving directly under the pastor.

A successful capital fund drive was conducted in the Fall of 1988 to provide an education center, an activity center, **an outdoor**

pavilion, a traffic light on A1A, sewer for the entire parish plant, as well as 10 acres of adjoining property for parking and expansion.

Continuing into the 90's, new ministries were developed and many new buildings were constructed,

including ten additional classrooms. At this time, the school had 430 students as

well as

76 three- and four-year-old preschoolers. A **new rectory** for the priests was completed in 1995, thus providing space in the old rectory for the expansion of the St. Vincent de Paul Assistance Center and the Outreach Thrift Store.

The continued growth of the parish to about 3000 families once again presented the need for a larger worship space. In

August, 1997, work began on an **expanded place of worship** to seat 1300 people (including a 155

seat overflow daily liturgy chapel, Adoration Chapel & covering for the Atrium). Fr. David P. Page, Pastor, celebrated the first Mass on August 23, 1998, and the Most Reverend Norbert M. Dorsey, Bishop of Orlando, dedicated the Church on October 4, 1998.

In 2001, HNJ School was recognized as a U.S. Dept. of Education Blue Ribbon School of Excellence and

in 2003, was given a U.S. Department of Education “No Child Left Behind Award”.

In 2004, the **bronze Jesus statue** was installed in the Atrium. That year hurricanes Charlie, Francis and Jeanne unfortunately damaged a great deal of the property, necessitating the new building fund drive, “Share the Vision”.

In 2006 & 07, the school received 8 new modular classrooms and a new soccer & track field. Also in 2007, the **Athletic Center** was completed and the refurbished **Thrift Shop and St. Vincent de Paul Outreach** re-opened. In 2008, the **Life Center** opened, containing the parish offices, parish hall and meeting rooms.

Msgr. David Page (in 2008 he was given the Honorary title of Monsignor by the Pope Benedict XVI.)

retired in 2010

and Fr. Tony Welle who was serving as Associate Pastor, was appointed as the sixth Pastor in July of 2010.

In 2012, the **Book & Gift Shop** was relocated into a larger space in the Life

Center and reopened as In His Holy Name Book & Gift Shop. Our shop carries unique, quality Catholic books and gifts for every occasion – with selections of jewelry, rosaries, statues, sacramentals, crucifixes and more.

In 2013, the old Book & Gift Shop in the church was renovated and reopened as the new **Welcome Center**. Information on our various ministries and events can also be found here.

In 2016, we broke ground on an **addition to the rectory** to serve as a retirement suite for Msgr. Page and future retired clergy.

In July of 2017, Fr. Scott Circe was appointed the seventh Pastor of HNJ. Previously he had served at Annunciation Catholic Church in Altamonte Springs, St. James Cathedral in Orlando, Most Precious Blood in Oviedo, and was the Vice Rector, Dean of Students, formation advisor and lecturer in theology at St. John Vianney College Seminary in Miami.

In 2019, the **field** was refurbished, giving the school

the opportunity to host sporting events and a new **rosary garden** was installed east of the church. Also,

the childcare center located in the Athletic Center was redesigned into a **Early Learning Center** for 1-3 year olds.

As we look back with gratitude to those parishioners and clergy who paved the way for the present generation, **we continue to look forward to fulfilling the vision God has given us for the future.** ■

A good school provides a rounded education for the whole person. And a good Catholic school,

HNJ SCHOOL

At **Holy Name of Jesus Catholic School**, we champion our children's gifts through the hands-on dedication of our staff together with the commitment of our students. We offer a challenging academic curriculum that meets National Standards and is certified by the Diocese of Orlando. Our experienced and dedicated teachers hold a minimum of bachelor's degrees with the majority possessing master's degrees. Our core curriculum is enhanced with **Spanish, religion, fine arts, computer applications and physical education.**

Students in grades 2-8 participate in the Terra Nova Test of Basic Skills. Their performance ranks well above the state and national averages on standardized testing. Middle School students in grades 6-8 are immersed in an academic program that prepares them with the problem solving and leadership skills needed

for success in high school and college. Our ability-based learning model for every grade level ensures that each student is challenged to his/her full potential in academic proficiency.

Our students participate in numerous competitions and receive dozens of awards

annually at the **Brevard County and Catholic Schools' Science and Art Fairs, spelling and geobees, essay contests, math competitions**, and more.

Students explore their world in and out of the classroom through educational field trips, hands-on labs, virtual tours, and special guest lectures. Students in all grades embrace technology to expand the depth and breadth of their studies and enrich their learning experience. **Tablets, 3D AV Projectors, interactive new line touch boards,**

and computers

are used by every student for research, labs, instruction and connectivity to other learning centers.

Upon entering 6th grade, students are issued their own personal state-of-the-art tablets. This learning tool serves as their "information warehouse". Over 90% of our students participate in our many after school athletic programs through Catholic Youth Sports. Our Athletics Center is home for many of our sporting events and physical education program.

For over 50 years, HNJ Catholic School has been providing an excellent academic program that is in communion with our faith traditions, community goals and family values. The faculty and staff are dedicated to **developing the "whole" person, and instilling in our children a life-long love for learning.** ■
