

## “Ordinary Time”

Jesus opened the door for God’s grace to be spread to all people, all nations. At His baptism, the water did not consecrate Jesus, Jesus consecrated the water, creating for us a moment of cleansing, a grace filled instant where we might hear the voice of God telling us: “You are my beloved child. With you I am well pleased.” Can you hear God’s loving voice?

In the coming weeks, we will hear stories of the call to follow Christ. We ask that our own hearts may be changed, that we might give ourselves to true discipleship. God’s commandments are never a burden when we remember how much we are loved by the one who gave them to us. Let us respond to God’s call in the ordinary moments of our daily lives.
