

# FRIDAY, MAY 10 EMBRACING FE Y ALEGRIA IN PERU

**St. Xavier Parish Center 6:30 PM – 8:00 PM**

Peru was hit by horrific landslides and torrential rain in 2017. The poorest people live on the slopes on the edge of Paita, Peru and so are the most affected. The Jesuits have been working in and around of these communities since 2017.

Those who have survived this tragedy are left with nothing. Donations to Fe y Alegría will go towards ensuring that affected children are able to restart school; so we can help affected families rebuild their livelihoods.

Your generosity has made such an enormous difference in the past. It is really needed now. All gifts received will be appreciated. Come and enjoy an evening of solidarity!
