

Our Lady of the Mountains Parish

2905 White Mountain Highway
North Conway, New Hampshire 03860-5111

July 2021.

What a year it has been! I hope you are all well and are enjoying your summer together with friends and family. It's hard to believe that fall is just around the corner and soon it will be time for our Religious Education classes to begin.

Due to the impact that COVID had on our program over the past year, the students have missed some instruction and may need to be in combined classes to prepare to receive sacraments. (See below.) At this time, we will only be having classes on Sundays, from 9:00-10:15am. This will allow families to attend mass together after our Religious Education classes. After we receive the student registrations and determine the needs of the parish, we will send out updated information. At this time, we ask you to complete a registration form for each child and submit it to the office. This will help us to determine what our Religious Education program will look like this year.

As in past years, classes will be held two or three times per month. Students will often leave class with a lesson to complete at home and then return it to the next class. The calendar of classes for the year will be provided ahead of time.

We will be offering a Homeschool option for religious education classes. The Homeschool students will have the same materials as the other students. Their work will be reviewed by the religious education office several times throughout the year. However, if your child is receiving a sacrament this year, the sacramental preparation classes are mandatory.

If you are able to help teach or substitute in our classes, please let me know. We would love to have some helpers. Thank you!

Christine Zimmer
