- **ANOTHER OPPORTUNITY TO RESPOND**

Our children's religious education is IMPORTANT! You can respond to Fr. Raines' homily of Sunday, November 11, where he called us all to participate more in our parish family by sharing our time, treasure and talent to serve where needed. **Our Children's Liturgy of the Word ministry, which takes place during the Mass, allows**

**our children to understand the Gospel and Readings in a manner that is especially appropriate for their ages.** However, we **desperately NEED** more who will share their time and talent with this. The more people we have to serve in this way, the easier it is for everyone. Please pray about this and contact either Kathy Tucker or Amber Gonzales if you would like to know more. Remember, we cannot outdo God with our generosity! If not YOU...then WHO?
