WEATHER RELATED CLOSINGS

This is a tricky situation. During the summer months if the weather is such that you can not make it, such as a Tornado and or Severe weather, please call Leonard Skillings the Chapel coordinator and let him know. He will arrange to close the Chapel, or to find a replacement.

During the Winter months the general rule of thumb is if School is closed than the Chapel will not open or will close. If this happens during the middle of the day, please call Leonard Skillings the Chapel coordinator and let him know. He will arrange to close the Chapel.

If do to snow or the like you are unable to make it for your scheduled time, please find a sub if possible. You may otherwise contact Leonard Skillings.

Messages and or phone calls will be sent out to all adorers regarding the status of the Chapel as needed regarding weather related closings.
