Capital Campaign

83 pledges for a total of 327,573.00

One-time payments of \$116,418.83

For a campaign total of \$443,991.83

As of 10/06/2025, \$378,545.85 has been deposited into our Capital Campaign account, leaving \$65,445.98 in pledges outstanding.

Of that \$298,567.26 has been spent on the initial campaign costs, the parish hall heat, the parish center roof, the parish hall roof, and the church air conditioning system. The building and grounds committee has found a general contractor who is willing submit a bid to oversee the ramp project. As of 10/06/2025, we currently have \$80,166.52 in our campaign account which should cover the cost of that project. Once that bid is secured, the committee can go onto researching the next repair project needed in our church.

Thank you for your continued generosity and love of St. Edwards.
