

St. Edward's Copy

Covid-19 Safety Measures

Please drop your child(ren) off at the door of the Parish Center facing the parking lot. Parents and visitors will not be allowed in the Parish Center at this time.

Your child(ren) will need to have a face mask.

A teacher will open the door and give your child(ren) some hand sanitizer.

Each classroom has a brand new air handling system for heat and air conditioning, as well as functioning windows. The student desks will be well spaced from one another.

As the children leave for the day, we will once again give them hand sanitizer.

Once classes are complete for the day, surfaces will be sanitized.

We will email everyone as quickly as possible if we are unable to have classes based upon Covid-19 rates issued by the County of Tolland.

Thank you!

I have received, read and agree to abide by the St. Edward K-8 Faith Formation Program
Covid-19 Safety Measures
