January 30, 2020

Trinity Cluster Members;

The St. Patrick Parish Finance Council met on January 22, 2020 and formally approved moving forward with demolition of the former rectory and garages. A bid from Keppler Custom Hire L.L.C. was accepted and work will begin the first week in March, weather permitting.

In anticipation of the demolition, we would like to offer you the opportunity to salvage items from the structures if interested. Members of the Finance Council will be available following Mass on February 9th from 11:30am—1:30pm to answer questions or provide you an opportunity to tour the facilities to view items you may have interest. If this does not fit your schedule, you may contact the Cluster Office to schedule an appointment for viewing anytime from February 9th—15th.

If you are interested in salvaging items, you will need to complete the enclosed bid document and submit the document to the Cluster Office no later than 12 noon on Wednesday, February 19th, 2020. You will be notified by telephone if your bid has been accepted by 12 noon on February 24th, 2020. Items will need to be removed from the structures by 5pm on Monday, March 9th, 2020. Items, such as exterior bricks will be available for pick-up once demolition is underway. In the event you are interested in any of the items, you will be contacted when it is appropriate to retrieve your items. **No children will be allowed in the premises.**

The Finance Council would like to extend appreciation to all members who have reach out to discuss our options regarding this important decision. Should you have any questions, regarding the process, please feel free to contact the Finance Chairperson Jim Moritz by calling 563-880-8189. Again, thank you for your support.

Sincerely,

James Moritz, Chairperson, David Sanger, Twila Dettman, Bonnie Lange, Mary Sass and Fr. Nils de Jesus Hernandez
St. Patrick Parish Finance Council
