

Hello Parents,

We wanted to touch base with you concerning the collection of athletic fees for Fall and Winter sports. Without knowing whether or not fall sports would take place, we decided to hold off on collecting fees at the end of last school year until each sport in the fall was able to get halfway through their season so we would not have to go through the process of returning money. We are happy to report that all fall sports have made it just about halfway through their respective season and look to finish their season unless something would happen to change. At this point, we would like to go ahead and collect the fall sports fees with the winter sports fees. We will show a breakdown of all fees so you can get an idea of what you might owe if your child decided to play a fall and/or winter sport.

- If your child(ren) play a fall or winter sport, there is a one-time athletic booster fee per family of \$50 for the school year.
- For 3<sup>rd</sup> – 6<sup>th</sup> girls soccer, 5<sup>th</sup> – 8<sup>th</sup> girls volleyball and 3<sup>rd</sup> – 4<sup>th</sup> boys and girls basketball there is also an additional fee of \$10 for a tee shirt they will use as their uniform and keep after their season.
- For 1<sup>st</sup> – 6<sup>th</sup> boys football and 5<sup>th</sup> – 8<sup>th</sup> boys and girls basketball and 5<sup>th</sup> – 8<sup>th</sup> cheer, there is not an additional \$10 fee for a tee shirt.
- Each sport your child plays, costs \$10.

**Here is an example of what you might owe:**

1. If you had a child play 3<sup>rd</sup> grade girls soccer and 3<sup>rd</sup> grade girls basketball it would be (\$50 booster fee, \$10 tee shirt for soccer, \$10 for the sport (soccer), \$10 tee shirt for girls basketball and \$10 for the sport (girls basketball) for a total of \$90 for the two sports played.
2. If you had a child play in 7<sup>th</sup> girls volleyball and 7<sup>th</sup> girls basketball it would be (\$50 booster fee, \$10 tee shirt for girls volleyball, \$10 for the sport (volleyball), \$10 for the sport (girls basketball) for a total of \$80 for the two sports played.
3. If you had 2 girls play 5<sup>th</sup> grade volleyball and one boys play 3<sup>rd</sup> boys basketball it would be (\$50 booster fee, \$20 for the sport played with 2 girls playing volleyball, \$20 for tee shirts for girls volleyball, \$10 for the sport played boys basketball, \$10 for the tee shirt for boys basketball) for a total of \$110.

Please feel free to email Mr. Meyer or Mr. Day at [dmeyer@evdio.org](mailto:dmeyer@evdio.org) or [jday@evdio.org](mailto:jday@evdio.org) if you have any questions or concerns.

God bless,

The SJB Athletic Department
