### Please **Get Vaccinated**

Bishop Konderla, the chief shepherd of our diocese, encourages all Catholics to get vaccinated. He says, "in a time of health emergency, and because we do not yet have ethically pure alternatives, a person can make an ethical decision to receive a vaccine that may have used tainted cell lines in its testing. The connection to abortion is very remote and the need and good to be accomplished is great." Therefore, in service to the common good and in charity for those around us, please prayerfully consider availing yourself the COVID-19 Vaccine, especially the *Pfizer* or *Moderna*, although any vaccine is morally acceptable. The Bishop has also asked the faithful, especially the unvaccinated, to please prayerfully consider voluntarily wearing a mask at Mass. May we please receive these encouragements from our Bishop as exhortations to charity, and not filter them through a political lens, which should always take a back seat to faith and morals.

- Fr. John Grant, Pastor
