

Epiphany: Jesus - Divinity in Human Form

Epiphany: Star --

**Symbol of
coming-to-awareness
of profound truth**

**Epiphany: Magi –
'astrologers/scientists'
seeing the deeper meaning**

Epiphany: 'Wise Men' --
Mystics who "see" beyond
the obvious

**Epiphany: Magi --
representing people of every nation**

The background of the slide features two glowing wireframe globes, one on the left and one on the right, set against a dark blue, starry space background. The globes are composed of a grid of white lines and are illuminated from within, creating a bright, ethereal glow. The stars are small, white points of light scattered across the dark blue field.

Epiphany: Us --

**Believers in awe and wonder of
the Christ-who-is-within-us,
our lives forever changed**

**Be alert to the
'epiphany moments'
God is sending
all the time!**

An Epiphany tradition –
Bless your home for
the new year with chalk
over a door.
