## HEALING PRAYER MINISTRY

Helping Others Encounter Christ's Love

According to Mark's Gospel, one of the last things Jesus said to His disciples before He ascended into heaven was, "These signs will accompany those who believe...they will lay hands on the sick, and they will recover." Our Healing Prayer Ministry team members believe He meant what He said!

Healing Prayer Ministry at St. B's began in 2006 when a group of parishioners started meeting regularly to pray with each other. They saw healing taking place and felt called to share this gift with the wider community. They all received training and formed the ministry. The ministry team continues to offer periodic training, an 11-week course, as outlined by the Order of St. Luke (OSL).

The Healing Prayer team offers prayer for anyone seeking spiritual, emotional, or physical healing. They offer monthly Healing Prayer sessions—**1st Sunday of the month in the John Paul II room on the north side of the church from 10–11 am**. In addition to the monthly time, the team is happy to make home visits by appointment.

The Healing Prayer ministry puts love into action through personal encounter, a listening heart, and a sincere compassion for all, following the example of Jesus and His Apostles to bring the healing love of the Holy Spirit to anyone who asks for it. That love and service has been extended to the world even more as they have broadened their ministry to serve other parishes as well.
