

## HOSPITALITY MINISTRY

A Radically Welcome on Easter and Everyday

Our **Hospitality Ministry** wants all who come to St. B's on Sundays, and particularly on Easter, to experience an extraordinary spirit of hospitality. It takes many hands to make that happen, and we invite you to join the team!

In addition to serving as greeters (parking lot and church entrances), ushers, and hosts for the hospitality tent, there are many behind-the-scenes tasks that make a big impact.

Here are just a few ways to serve:

- Lend some muscle—set up tables, chairs, and pop-up-tents, or help put them away
- Be a barista—make the pots of coffee and take them to the hospitality tent
- Exercise your creativity—help set up the liturgical environment in the church and overflow rooms, help with floral design
- Keep things spick-and-span—tidy up the church bathrooms, pews, overflow rooms
- Show off your green thumb—use your gardening skills to spruce up the grounds

How are you being called to serve? If you're in town for Easter, great—come join us! Sign up for a shift or stay the whole morning. If you're unavailable to be here for Easter, we'd love you to serve with us on Sundays. You can serve once a month, or as often as you'd like.

**“You never know the impact we might have just by helping people feel like they belong!”**
