

KNIGHTS OF COLUMBUS

Serving our parish and community

Knights of Columbus recognizes the call deep within each man to become the man God made him to be. The Knights equip men to answer the call to lead with faith, protect their families, serve others, and defend their values. The organization is open to Catholic men age 18 and older.

At Saint Brigid Parish, the St. Pius X Council 3487 has been active since 1952. The Knights' motto is "In Service to One, In Service to All" and that is evident by their cheerful and generous service at St. B's! The Knights regularly assist with Sunday Hospitality and parish events. They host fish dinners during Lent, host free family movie "knights," organize blood drives and pancake breakfasts and sell Christmas cards through the Keep Christ in Christmas program. A big hit is their service at the Annual Faith Formation Christmas Party. Many of our Knights serve in other parish ministries as well.

The Knights take their service beyond the parish too. They serve at the Special Olympics—raising funds for the intellectually disabled at the St. Madeleine Sophie Center in El Cajon, and they actively work in the Pro-Life community. The council at our parish spearheaded the fundraising efforts to secure the first Mobile Ultrasound Medical Unit in San Diego—through great support from our parishioners. Since then, 12 Mobile Ultrasound Medical Units have been sponsored and are serving the San Diego Diocese and other partnering pregnancy resource centers.

We're grateful for our council and the way they encounter and serve our parish and local communities.
