

## SUNDAY MORE

Connecting the Sunday Readings to Our Lives

**Sundays, beginning January 13**

**10-11 am**

**Parish Lounge**

Do you want to “get more out of Mass?” Have you ever listened to the Sunday Readings and wished you understood the Bible better? Can something written so long ago can be relevant to your life today? Come to **Sunday More**.

Our new ministry, Sunday More, begins next week. It is designed to help you better understand the Scriptures and discover how God is still speaking through them today. Held weekly throughout the year, it offers an opportunity to have “more” time to read and reflect on the Sunday readings in a group setting. Come by after 9 am Mass to discuss the readings you just heard or pop in to prepare for 11 am Mass. Feel free to come weekly or simply drop in when you can.

Parishioners who have been part of our RCIA (becoming Catholic) process or Connection to Christ small groups know the benefit of gathering with others to explore the Sunday readings, grow in relationship with God and others, and deepen their faith. Sunday More offers those same benefits with the added convenience of allowing you to drop in before or after Mass and attend without the obligation of a long-term commitment. Come and see...
