

Daily Mass: If the Cedar Rapids/Catholic Schools delay or cancel Mass due to weather, the 8:00 AM Mass on Wednesday and Friday mornings will be cancelled and the Mass intention will be moved to another day.

I will try to celebrate the 5:30 PM Masses as scheduled. Please use common sense, if the roads are in bad shape or it is icy, please say your prayers at home for the safety of all.

Weekend Masses will not be cancelled, but again use common sense. I would rather you and your family be safe. If unable to attend Mass, I would encourage you as a family, light a candle, read the readings for the day (www.usccb.org), invite family members to speak about how they understand them, offer some prayers of the faithful, pray the Lord's Prayer. Tune in to cable station EWTN to watch a Mass on TV. This does not substitute for Mass, but it may help unite your family in prayer. Know that I will be celebrating the Weekend Masses praying for the needs of all our parishioners.
