TEENS ENCOUNTER CHRIST

TEENS ENCOUNTER CHRIST

Teens Encounter Christ (TEC) is a three-day Catholic retreat experience for high schools juniors and seniors; an age when young men and women are at a natural time of making decisions about their lives definite direction.

AT TEC YOU WILL:

- Experience a new environment in which to learn and grow;
- Meet other Catholic youth who share similar questions, concerns, and hopes;
- Encounter Christ, risen and ALIVE today;
- Find time to reflect on your life, your relationship with others, your relationship with God, and much more!

An Encounter with Christ must be a freely accepted response. There will be no pressure to make definite decisions or reach final conclusions.

When you return home, your community experience and your individual expression of God's love should continue to grow...

In the past few decades, several thousand youth have experienced TEC in this Archdiocese. We invite you to join them.

"Thank you for the great experience. It really made an impact on me." -Pete, Marquette H.S.

"TEC was a great experience where I was able to let my walls down. I'm very grateful for being given the opportunity to be a part of it." -Marie, Wahlert H.S.
