Notre Dame Church
Religious Education
North Caldwell, NJ

Our Religious Education program's mission is to communicate the treasures of faith to our children and their parents. We share a journey of faith towards encountering Jesus, breaking open the Word, breaking bread with others and sharing the Good News with the whole parish in the spirit of fellowship. We strive to "Be the Church."

"I want the Church to go out into the streets."

~Pope Francis

Sunday Faith Formation

Children gather in our Parish Community Center - Charlie's Place -

- on Sunday mornings to hear the Sunday Gospel reading and continue on the road to *"Be the Church."*
- Children are dismissed to their small group lesson which is facilitated by our catechists.
- Children and their families gather once a month to actively participate at our Sunday Liturgy (Mass).

Family Faith Formation

Children and their parents gather together once a month on a day of their choosing to celebrate family, break open the Word, and form community with other families.

After the families gather, they are often broken into parent sessions and children sessions.

Sunday Liturgy (Mass) is a part of the program as well participation in parish activities.

Junior High

Faith Formation

"Muscle Builders"

Our Junior High program meets in small groups with one of our catechists. Our teens continue to learn about the Catholic faith.

We strive to have our older children live in response to the Gospel challenge *"Whatever you do to one of these, the least of My disciples, you have done for Me."*

Children in all our programs prepare for their sacraments
